

Sherwood Forest Home Owners Meeting  
March 14, 2018

The meeting was called to order at 7:00 by President Salvucci

A representative of Captel Captioned Telephone was the guest speaker.

All board members were present.

Secretary and Treasure's reports were read and approved.

There are 60 paid HOA members, 27 members were present, not enough for a quorum. Our by-laws have a contradiction regarding what constitutes a quorum. President Salvucci will get this cleared up.

Eleanor Salvucci presented the FMO report.  
Owners should consider a Homestead Declaration or a Declaration of Domicile.

Don Kostuch updated us on the web site.

Richard Steinwandel did a social activities update.

A statutory meeting will take place between park management and the HOA board. A home owner has the responsibility to maintain property. Animal control is to be called for barking dogs. Documents are needed for emotional support animals. Driving violations should be directed to Traffic Division.

Security system is not operational as of yet on pools and other common areas used by residents.

The guard shack is still not operated by an outside vender.

The next HOA meeting will be held April 11<sup>th</sup> at 7:00 in CH2.

The meeting was adjourned at 8:00PM.

Respectfully submitted  
Mary Lou Kostuch, Secretary
