*MH Community Manager &*

*Roy Silverio RV Resort Manager*

All of our friends have returned and the season is in full swing. Please check the monthly calendars for all of the activities on both the MH and the RV side of the community.

In February our MH Resident Recognition program will return for the year with a slight change. Each month management will vote on a different category such as Best Maintained, Most Improved, Nicest Flowers, Greenest Lawn, etc. A \$50.00 Home Depot gift card will be awarded to the winning homesite each month. February's category is Best Maintained. We will be on the lookout for a home that best represents this category and we will choose a winner by February 25th. It's not too late to get outside and start making improvements!

When you are out in the community please stop by and look at the brand new cottages for sale on the RV side and our new Palm Harbor Sunrise on the MH side. Do not forget about the ELS resident referral program and the Trade In, Trade Up program available on any of the new homes. Please stop by the office for further details.

Thank you for spending a few moments to read through the newsletter for information about

your community. We will see you out in the community.

From the entire staff of Sherwood Forest have a great February!

We still need help getting the word out to everyone in the park, that it's time to join the H.O.A. The cost is \$10.00 a year to join.

Right now approximately 100 paid members out of 700 plus residents make the decisions. By not joining the H.O.A. you are allowing these few members to make these decisions for you. Have a voice and join the H.O.A. Please contact any board member for more information.

Right now we have not negotiated a long term contract with the Park.

Dukeenergy.com, then storms and outages, then request a streetlight repair.

You will be asked to provide your name, address, acct# (optional), phone number, e-mail address, pole number (or address nearest to the pole), reason (drop down menu...light out, flickering on & off, etc.)

After you send it, you should receive an e-mail confirmation and phone message with a report number and when it will be repaired.

## St. Valentine's Day

According to the Society of American Florists, the Chocolate Manufacturers Association and the National Confectioners Association, US consumers purchase approximately 180 million roses and more than 36 million heart-shaped boxes of chocolate for Valentine's Day each year.

Sure it's easy to go out and splurge on something nice that your loved one(s) wouldn't buy for themselves. But we think it's a better idea to top off your store-bought gift (or replace it) with a priceless loving-hands-at-home gift.

Here are a few ideas...

### The Gift That Keeps Giving

Prepare a booklet of coupons for your mate/or someone you love. Decide on the number of coupons -- 1 for each year you've been together, 1 for each month of the year, 1 for each day of the week --- and come up with doable things that will make the person happy.

The coupons could range from personal pleasures to practical chores --- from a 30 minute back massage to washing the car. This gift's true test --- wouldn't you like to get a booklet of coupons from someone special?

### Love, Sweet Love

Chocolate contains phenylethylamine (PEA), which some scientists believe releases the same chemicals in the brain that induce the euphoria we feel when we are in love.

So bring on the chocolate! Bake

### SHAMROCK WREATH

Monday - February 9th @ 1pm CH #2

Let's get in the spirit for St. Patty's Day early. We will be making a 10 inch foam Shamrock Wreath with its own Pot of Gold. Cost is \$2.00 and we will furnish all supplies.

Sign up can be done at any event or with any activities board member.

# SHERWOOD FOREST GOLF LEAGUE

## Kissimmee Golf Club

It was nice to get back swinging the golf clubs in the Sunny South. It was a little cool starting out but it turned out into a beautiful day for the first week of our golf league.

We had 21 golfers out today so that is a good start for 2015.

Jerry Wilson and Dick Schmidt carded the best scores of the day each shooting 79. The 80's group included Alwin Akens with 87; Pat Omara and Jim Massey both shot 88. The nineties group included Tracy Burns with 91, Ray Savoie with 93, Terry House with 95 and Jeff Doyle with 97. We had a few in the hundreds but we are just starting the year so we expect a few people to be a bit rusty.

We had three birdies recorded today. Jerry Wilson had one on the par 4, 12th. Dick Schmidt had one on the par 4, 11th. Jim Massey got his on the par 3, 16th. Nice shooting guys! We welcome anyone that is interested to join our league. Come out and enjoy the Florida sunshine on Tuesday mornings. We try to tee

off by 8:00 AM. Golf course is located at the Kissimmee Airport.

Price for the New Year will be \$30 with a cart and lunch. We would like to welcome all our new golfers to the league and thank all our regulars for coming back. We look forward to the Florida Sunshine and getting some exercise and possibly even improving our golf scores.

## KISSIMMEE GOLF CLUB

The weather did not look good for week #2 of the golf league. We had thunderstorms overnight but by morning it started to clear and it turned out to be a beautiful day in the

Florida sunshine.

We had 21 golfers out today even though the fairways were wet and we had to play the first nine, cart path only. Jerry Wilson recorded the best score of the day with 81. He was followed closely by Dick Schmidt with 82. Pat Omara had 88, Tracy Burns had 89. The nineties group included Peter VanDyke and Jim Massey both finishing with 90. Elvin Atkins finished with 98.

We had 2 birdies recorded today. One by Dick Schmidt on the par 4, 4th. Pat Omara chipped in for a birdie on the par 4, 11th. Nice going guys!

# Devotional & Church News

By Rev. Frank J. Miller, Sr.

"What the world needs now is love, sweet love; that's the only thing that there's just too little of!" Words to a popular song of many years ago. But they hold just as true today as when they were first

penned and sung. If we stop and take notice to the people around, their daily endeavors, their thoughts and speech, their motives and interests, you can, you must come to one conclusion, one realization and it is this: there is plenty of love in the world. There is an enormous abundance of love on planet earth, none of which would impress God in the least or give reason to find favor in his sight. This is not a Biblical love, a Godly love. It is the love of self, the love of sin and the love of secular attractions.

The attention of our affection is not a God-ward direction but a deflection of His sought after intention. "By this all people will know that you are My disciples, if you have love for one another." (John 13:35) If we would be Jesus' disciples, if we would be called "Christian" then love for one another is mandatory, not optional. For people to know this Christ-like love it must also be visible. And it must be offered to everyone, enemies as well as friends and family, regardless of race, color, creed, religious background, political affiliation, cultural, ethnic, social

status, education, language and customs (but especially to the household of faith). What we set our hearts on will tell others of our love for God or our love for the world and the things of the world. Never are we told to withhold love because of a hostile environment, or eminent personal danger, or mocking and taunting from unbelievers. A remarkable high standard of conduct to be sure. A seemingly impossible and unobtainable goal. But a prescribed behavior that comes with a promise. Christ would not command us to do something without giving us the tools to accomplish the task.

The means by which we can love in Godly fashion come from God Himself and is God. "If you love Me, you will keep My commandments. And I will ask the Father, and He will give you another Helper, to be with you forever, even the Spirit of truth..." (John 14:15-16) So with the help of the Holy Spirit

we can first get rid of self (this may be the hardest step to take). Then fill that void of self with God's presence so the inclination of our new nature is to love God. As that is daily accomplished in our lives we are freed to "love our neighbor." To make God's unconditional visible love a reality in our world, our priorities would look like this: God first, other second, me last! It's not an easy job. It's a daily challenge. We are not inclined to love as Christ loves but we are invited to. By nature (our old nature) we are not driven to consider others ahead of ourselves,

but we are commanded to. The old nature has died and the new nature is born, but the flesh still struggles for dominion over us. It's a struggle worth fighting, a battle worth winning, a life of pure love worth embracing.

We are encouraged by the surge of attendance at our Sunday morning worship service. Happy to see our "snowbird" friends once more. Some have delayed coming to Florida this year due to medical problems. It is, however, a sure delight to finally greet them once again in the love of the Lord. We look forward each year to this time of renewed fellowship.

We are also pleased to welcome some new friends from the RV section of Sherwood Forest. All are invited. The Praise Singers from Penn View Bible Institute in Penns Creek, Pennsylvania blessed us on January 25, as they do each year. As their voices get stronger so does their testimony. A special thank you to those who contributed to the "bake sale" on auction Saturday" and to those who purchased these delicious baked goods. The proceeds go to help support our missionaries. And on March 8, we will have a special "Missions Sunday." This is an annual event that gives a healthy needed boost to our missions fund. Our missionaries rely on us year round for prayer and financial support. We also have a collection box just for missionary contributions available each Sunday.

# CRAFT FAIR
