*MH Community Manager &*

*Roy Silverio RV Resort Manager*

Summer has arrived - along with the rainy season. Our lawns and flowers love the daily rains. However, this also brings more maintenance for our lawns and home exteriors. Please help keep your community beautiful by mowing your lawns on a weekly basis and pressure washing the exterior of your homes to remove mold, mildew and dirt.

The May winner of our MH Resident Recognition program for the month is 661 Arrow Lane. The category for May was **Nicest Flowers**. The category for June is **Best Maintained**. We will choose and notify the winner by June 25th.

Please be respectful of your neighbors and pick up after your pet. Remember all pets must be on a leash and should not be walked in your neighbor's yard. Please walk pets in the designated dog walk areas. For your convenience each dog walk area has bags and receptacles to dispose of your pet's waste.

We have recently sent several notices to residents with open fire pits on their home lot. As a reminder per your community rules and regulations, **"No burning of trash, campfires, or other fires of any kind is permitted within the Park."**

This would include any type of fire

pit. Additionally, fireworks are not permitted in the community.

**PLEASE SLOW DOWN!** We continue to have a problem with speeding throughout the community. The speed limit in the community is 15 mph. Please obey all traffic laws while driving in the community, including stopping at all 3-way stop sign areas.

All authorized residents are required to have a resident sticker on their vehicle. If you do not have the required resident sticker, please stop by the MH office and complete the necessary paperwork to obtain your sticker today. If you are unable to come by the office during our normal business hours, please contact the office and we will make arrangements so you can obtain your resident sticker.

Thank you for spending a few moments to read through the newsletter for information about your community. We will see you out in the community.

From the entire staff of Sherwood Forest we wish all fathers a Happy Father's Day!

## Devotional & Church News

By Rev. Frank J. Miller, Sr.

The curse of Adam is still with us. It is the curse that has separated us from fellowship with God. It is the curse that has precipitated our death, our physical and spiritual death. It is the curse that has caused our bodies to age and decay, to inflict on us pain and disease, broken bones and broken hearts. It is the curse that has subjected us to mental depression, superstitions, and emotional outbursts. The fate of all mankind is the same, whether princes or paupers, presidents or peasants we will travel the same road into eternity. "And inasmuch as it is appointed for men to die once and after this comes judgment..." (Hebrews 9:27/NASB)

God's Word is final on the subjects of life, death and judgment. False teachers will expound on many lies: (1) There is no afterlife, there is only here and now. (2) We are all going to the same place, just by different roads. (3) It doesn't matter what you believe as long as you are sincere. (4) All you have to do to get to heaven is to lead a good life. (5) We all serve the same God. (6) A loving God would never condemn anyone to hell. These false beliefs and many more are all lies, blatant and outrageous and are leading many straight to the gates of hell.

Surely you have seen the sufferings of men and women. In case you haven't, just walk through any hospital and glance in the rooms. Visit any nursing home and see the ravages of the aged. Or stop in at a

VA hospital and note the toll that man's depravity and greed has taken on these brave veterans who have suffered so much for others. Is there no hope for the destruction of the human race? Is there no remedy for our sin filled condition? Is there any way to regain our position with God? Yes!!

"For God so loved the world that He gave His only begotten Son, that whoever believes in Him shall not perish, but have eternal life. For God did not send the Son into the world to judge the world, but that the world might be saved through Him. He who believes in Him is not judged; he who does not believe has been judged already, because he has not believed in the name of the only begotten Son of God." (John 3:16-18/NASB) These three verses alone answer all the lies of the unbelievers. As Dr. Ian Campbell expressed it in the May issue of Table Talk Magazine, "At Calvary, the world stood before God and said, 'We hate you this much.' And at Calvary, God stood before the world and said, 'I love you this much.'"

There has never been a greater love than this. A love that restores our relationship with God through His Son and only through His Son. A price the Son paid that we could not. Sealed by the gift of the Holy Spirit until that day when "the tabernacle of God is among men, and He will dwell among them, and they shall be His people, and God Himself will be among them, and He will wipe away every tear from their eyes; and there will no longer be any death; there will no longer be any mourning, or crying, or pain; the first things have passed away." (Revelation 21:3-4/NASB). This is the fate of all who believe, their final destiny. "But for the

cowardly and unbelieving and abominable and murders and immoral persons and sorcerers and idolaters and all liars, their part will be in the lake that burns with fire and brimstone, which is the second death." (Revelation 21:8) God must punish sin or He wouldn't be God. He also forgives. What is your choice, truth or lies?

In May we attended the annual Echoes of Calvary meeting in Lewisburg, PA. The meeting was encouraging as four new applicants were voted in to receive ministerial credentials. We are encouraged, too, by the faithful support you have given to Sherwood Community Chapel throughout the summer months both in your attendance, prayers and finances. We continue each Sunday morning to discuss the problems and Godly solutions that plagued the church at Corinth, a church that had many problems similar to the evangelical churches of today, but the same Godly solutions still apply. Please join us each Sunday morning at 10:30 AM in clubhouse 2 for worship and fellowship. God bless all of you, every day and in every way.

## Children of the 30s & 40s

*"The Last Ones"*

### A Short Memoir

Born in the 1930s and early 40s, we exist as a very special age cohort. We are the "last ones." We are the last, climbing out of the depression, who can remember the winds of war and the war itself with fathers and uncles going off. We are the last to remember ration books for everything from sugar to shoes to stoves. We saved tin foil and poured fat into tin cans. We saw cars up on

blocks because tires weren't available. My mother delivered milk in a horse drawn cart.

We are the last to hear Roosevelt's radio assurances and to see gold stars in the front windows of our grieving neighbors. We can also remember the parades on August 15, 1945; VJ Day.

We saw the 'boys' home from the war build their Cape Cod style houses, pouring the cellar, tar papering it over and living there until they could afford the time and money to build it out.

We are the last who spent childhood without television; instead imagining what we heard on the radio. As we all like to brag, with no TV, we spent our childhood "playing outside until the street lights came on." We did play outside and we did play on our own. There was no little league.

The lack of television in our early years meant, for most of us, that we had little real understanding of what the world was like. Our Saturday afternoons, if at the movies, gave us newsreels of the war and the holocaust sandwiched in between westerns and cartoons. Newspapers and magazines were written for

adults. We are the last who had to find out for ourselves.

As we grew up, the country was exploding with growth. The G.I. Bill gave returning veterans the means to get an education and spurred colleges to grow. VA loans fanned a housing boom. Pent up demand coupled with new installment payment plans put factories to work. New highways would bring jobs and mobility. The veterans joined civic clubs and became active in politics. In the late 40s and early 50's the country seemed to lie in the embrace of brisk but quiet order as it gave birth to its new middle class. Our parents understandably became absorbed with their own new lives. They were free from the confines of the depression and the war. They threw themselves into exploring opportunities they had never imagined.

We weren't neglected but we weren't today's all-consuming family focus. They were glad we played by ourselves 'until the street lights came on.' They were busy discovering the post war world.

Most of us had no life plan, but with

the unexpected virtue of ignorance and an economic rising tide we simply stepped into the world and went to find out. We entered a world of overflowing plenty and opportunity; a world where we were welcomed. Based on our naïve belief that there was more where this came from, we shaped life as we went.

We enjoyed a luxury; we felt secure in our future. Of course, just as today, not all Americans shared in this experience. Depression poverty was deep rooted. Polio was still a crippler. The Korean War was a dark presage in the early 50s and by mid-decade school children were ducking under desks. China became Red China. Eisenhower sent the first 'advisors' to Vietnam. Castro set up camp in Cuba and Khrushchev came to power.

We are the last to experience an interlude when there were no existential threats to our homeland. We came of age in the late 40s and early 50s.. The war was over and the cold war, terrorism, climate change, technological upheaval and perpetual economic insecurity had yet to haunt life with insistent unease.

Only we can remember both a time of apocalyptic war and a time when our world was secure and full of bright promise and plenty. We experienced both.

We grew up at the best possible time, a time when the world was getting better not worse.

We are the 'last ones.'

## When a Heart Attack Doesn't Hurt, How Do You Know?

*By Nils Kongsbaug, Everyday Health Staff Writer*

Chest pain does not always accompany a heart attack so it's important to recognize the other more subtle symptoms like sweating, jaw ache, dizziness, and nausea.

The first time Jim Couch of Jacksonville, Fla., had a heart attack there was no doubt what was happening. He felt a massive, crushing pain in his chest, and he was rushed to the hospital.

But the second time, he felt no pain. "I felt not right," he says. He couldn't catch his breath. His wife had the good sense to call 911 and, again, he reached the hospital before there was permanent damage to his heart muscle.

The mantra of cardiologists is "time is muscle," meaning the longer the heart muscle is deprived of oxygen the less likely it is to recover. After his second attack, Couch had an emergency angioplasty to open up the blocked artery to his heart, and today he is back in his workroom enjoying his hobby of restoring old cars.

Chest pain is a major symptom of heart attack, but sometimes it is absent. So it's important to be aware of the other symptoms: nausea, pain in the jaw which may extend to the arm or back, dizziness, and intense sweating, for example.

If you have these symptoms with or without chest pain, or if you feel, as Couch did, "not right," don't take chances. Call 911.
