Subject: SB 1032 assignment of Senate Committees

Have been advised that Nancy Black Stewart has suggested that everyone write to some of the members of at least the first two committees, no matter where you live, in addition to their own legislators. You have been provided with "Committees to hear Bills First" statement that was part of the original e-mail announcement that was furnished to all of you.

The first two Committees are Regulated Industries, Chair Senator Dennis Jones, and Community Affairs Committee, Chair Senator Michael S. "Mike" Bennett.

Addresses: Senator Dennis Jones, 408 SOB 404 S. Monroe St., Tallahassee, FL 32399

Senator Michael Bennett, SOB 306 S. Monroe ST., Tallahassee, FL 32399

Please get the word out to your Officers and Park Representatives
